

Dear David,

Here is a copy of the
Hards + Pearson advertisement
as promised. The original is
not in very good condition - it
has travelled some distance and presumably
is original from December 1883.

I have also enclosed a copy of
a page from a ledger dated 1875 which
was used as lining for a cedar box, and
a copy of the Pearson family home (date
unknown) of Thornhill, Old Swinford. The house
was in Love Lane. I searched for it but found
that Love Lane where the house had been ~~was~~
subdivided and built on.

Regards

Margie
